

Dolton Basketball, LLC is making some modifications to our 2020 camp activities due to the suggested reopening guidelines for COVID-19. We will only run our camps if Bucks and Montgomery County move into the GREEN Phase! The Camp Administration will monitor the moving from the Yellow to Green Phases closely and communicate the camp status to all families and staff via email, as well as posting updates to the Dolton Basketball website. The following modifications will be made to our camps this summer:

Day Camps

This summer, we are breaking our Day Camps into two sessions. Session 1 will be for Girls and Boys entering Grades 3-6, from 9 AM – 12 PM. Session 2 will be for Girls and Boys entering Grades 7-10, from 1-4 PM. These camps will feature skill instruction and practice, shooting competitions and skill challenges. Unfortunately, there will be no 1v1, 3v3, 4v4 or 5v5 games unless new guidelines are given by the federal, state and local government agencies / experts. There will be a maximum of 50 campers for each session (50 in the morning and 50 in the afternoon).

Offensive Skills Camps

There will be no changes to the time frame, structure or cost off our Offensive Skills Camps. These Camps are designed to meet the “considerations” that have been released by the federal, state and local government agencies / experts. All of our activities focus on individual skill work (ball handling, shooting, offensive breakdown moves, off the ball movement, etc.). There will be a maximum of 50 campers for each session.
